KELVYN PARK
HIGH SCHOOL
CHICAGO, ILLINOIS

KEYS

Happiness is the essence of a good life. Education forges the master key that opens the door to true happiness. Kelvyn offers four keys that lead to this mastery: Security, Congenial Companionship, Self Expression, and Health. Through these we mature to happy human beings.

DEDICATION

We, the graduates of June, 1953, and January, 1954,
dedicate this yearbook to
Mrs. Margaret R. Nordman and Mrs. Frances H. Sachs
for their significant but unheralded achievement.

Margaret R. Nordman

"Whatever is worth doing is worth doing well" could certainly be the motto of Mrs. Margaret Nordman, sponsor of the school newspaper. Besides the job of putting out an issue of the **Panther** every two weeks, she presides at and arranges for all assemblies and stimulates the minds of students in her journalism and social studies classes through her interesting lectures. Mrs. Nordman has been teaching at Kelvyn for 15 years and is noted for her ability to do several different things at the same time.

Best wishes to Marlene!
I have enjoyed knowing you & having you
in my classes. You
have been an addition.
Sincerely,
Margaret Nordman

Frances H. Sachs

"All the world's a stage" to Mrs. Frances Sachs, yearbook and Kelvyn Players sponsor, and speech coach. Once a leading lady herself, Mrs. Sachs, in her years at Kelvyn, has stressed all the good points of drama and speech in her classes and produced many fine actors, actresses, and orators. She has instructed speakers appearing in school programs and assemblies in the fine qualities of speech, and each year stars in the production of the **Kelvynian**.

*From German to
Dramatics, from a little
girl to a promising young
lady. - it's been fun to
know you.
Frances H. Sachs*

Quill and Scroll Society

Through the efforts of its sponsors, Mrs. Nordman and Mrs. Sachs, a chapter of Quill and Scroll, honorary journalistic society, was established at Kelvyn in June, 1952.

KELVYN PARK OFFERS YOU THE KEY TO

SECURITY

"In the multitude of counsellors there is safety." —Bible

Throughout our youth we depend upon our parents for material and emotional security. The freshman entering school comes gradually to rely upon the faculty for security—he calls on his teachers for help both in the academic and social fields. With the kindly assistance of his parents and teachers he prepares for the future; he matures emotionally and mentally. He reaches adulthood with a feeling of belonging—security—which comes not from money and material wealth, but from the love, guidance, and knowledge acquired in the home and school.

Mr. Norman L. Samuelsen
Our Assistant Principal

Make Your Influence Count

You have an influence on others. Because of what you do or say or the way you act, the life of someone will be different. A passing word, a look of approval or disapproval may change the current of a life. Your influence may build up or tear down. It may spread joy or gloom. The social, moral, intellectual, and esthetic climate of your community is made up by the influence which various people exert on the common life.

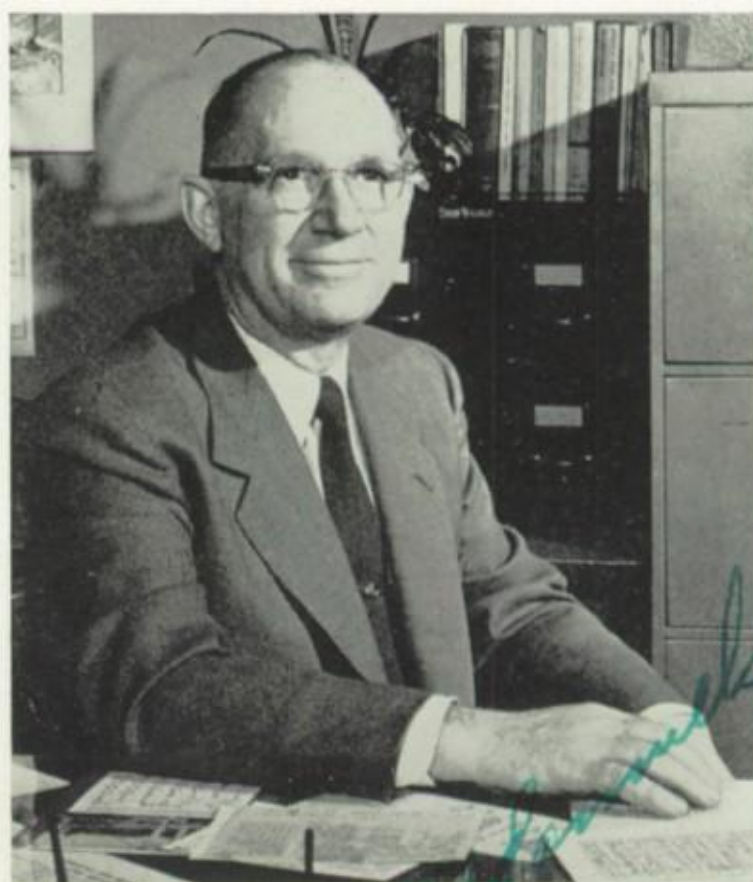

Make some effort each day to be helpful. Your influence will grow with use, and your sense of direction and values will grow thereby. Three worthy objectives are:

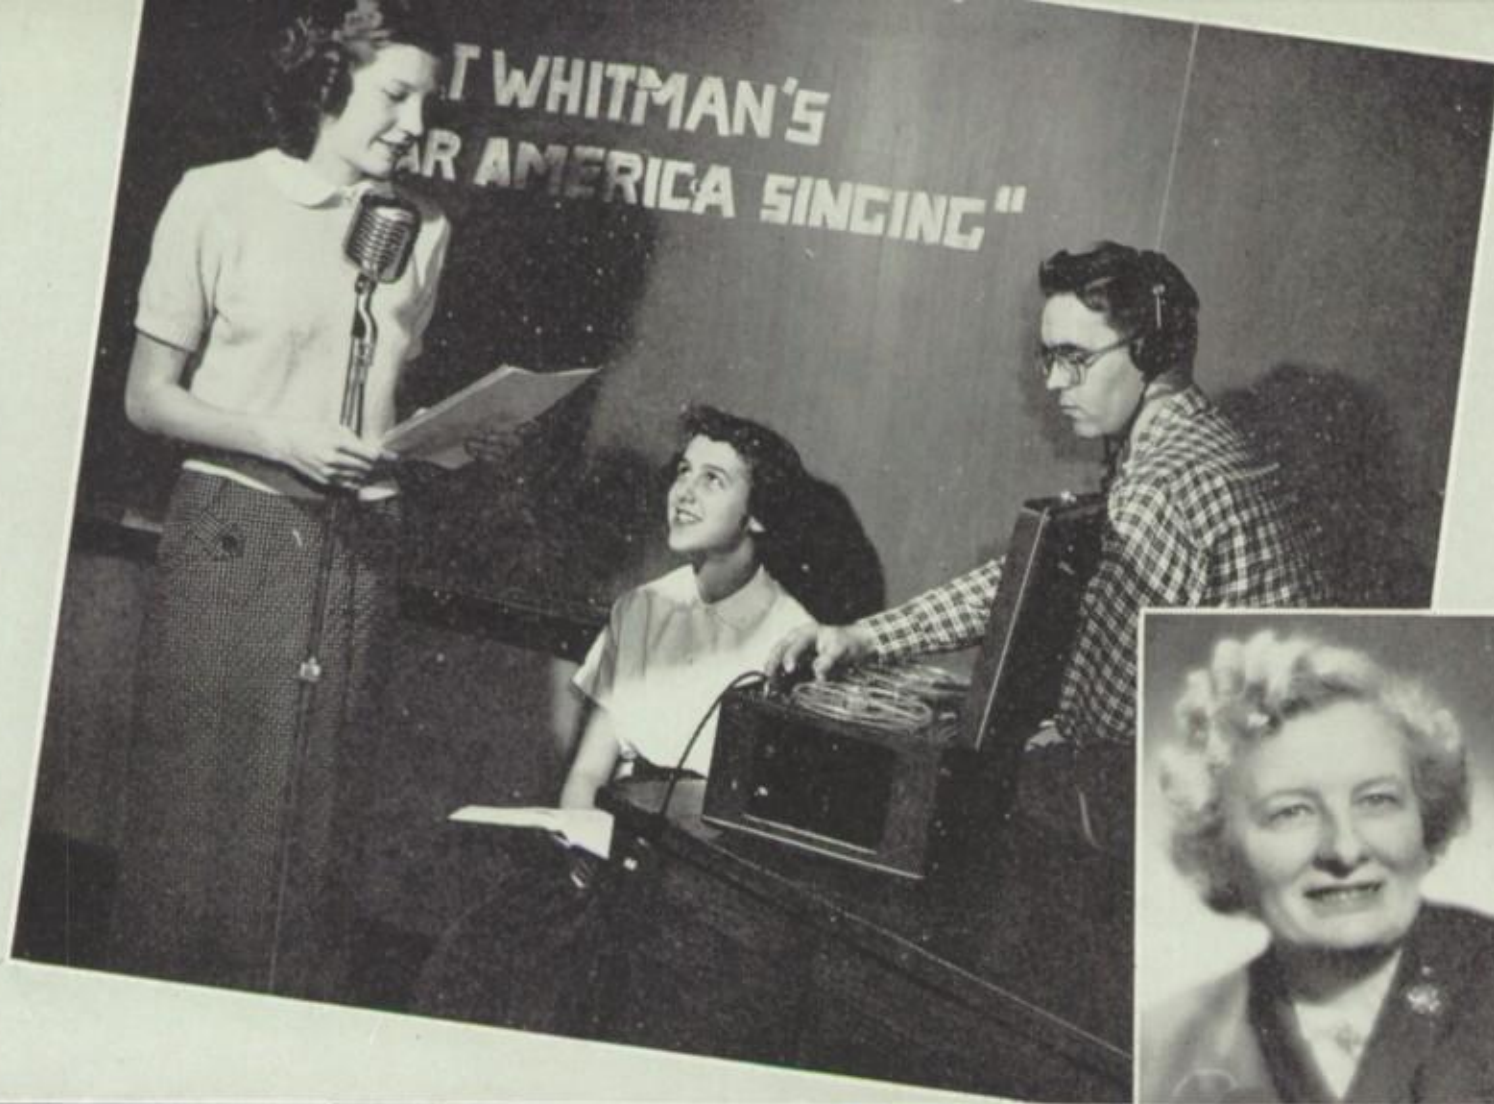

"Serve Others"

"Be A Leader"

"Make Your Influence Count".

Mr. Louis Weintraub.

Maintenance, Office, and Lunchroom Staffs

The men and women behind the scenes who seldom receive credit for their painstaking efforts . . .

This statement typifies the position of K.P.'s personnel which, together with the faculty, constitutes the bulwark of our school, but rarely gains any recognition for its work. The three staffs—

maintenance, office, and lunchroom—are the pillars upon which all Kelvynites lean. What would we do without our heating system, or the efficiency of the office clerks who carry on the detailed work that the operation of our school requires? What would our lunchroom be like without the friendly women who prepare, serve, and sell us our daily lunches?

MAINTENANCE PERSONNEL: Mr. John Blackowiak, Mr. Paul Karavas, Mr. Frank Lange, Mr. Pierce Clearey.

OFFICE PERSONNEL: Mrs. Jewell T. Buell, Miss Myrtle Rahn, Miss Helen M. Zaloha.

LUNCHROOM PERSONNEL: Mrs. L. Nuebecker, Mrs. D. Pearson, Manager, Mrs. A. Balla.

Second Row: Mrs. H. Gresch, Mrs. L. Jones, Mrs. A. Lawlor, Mrs. L. Bascom, Mrs. H. Bremer, Mrs. Harriet Dalbke, Mrs. A. Wahl, Mr. V. Pickett.

Parent-Teacher Association

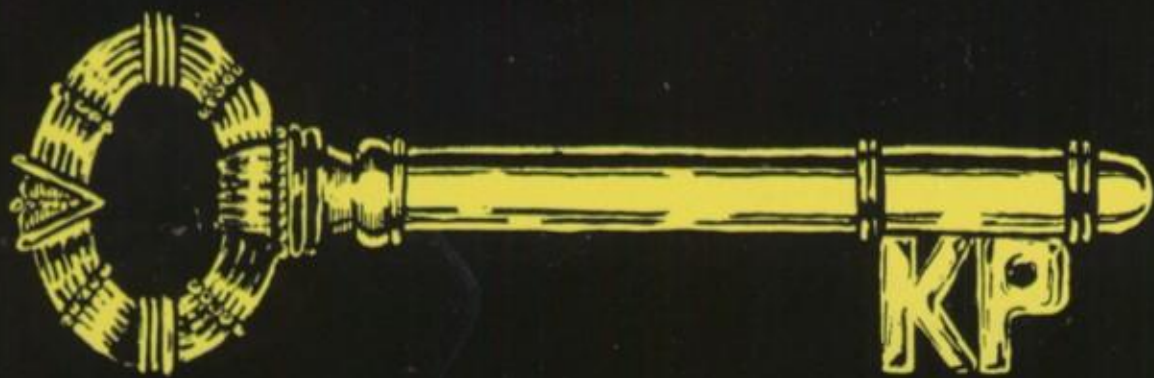

Seated: Mrs. Lawrence Ritter, Secy., Mrs. Wilbert L. Ewert, Pres., Mrs. Clifford Rees, 1st. V.P.
 Standing: Mrs. Arthur Karnuth, Aud., Mrs. Thomas Harrington, Corr. Secy., Mrs. John P. O'Grady, 2nd V.P., Mrs. Fred Orr, Treas.

"Taffy apple? With or without nuts?"

This was a familiar cry in Kelvyn's halls when the P.T.A., held its monthly taffy apple sale. This year K.P. students consumed a grand total of 3,727 apples. The Association conducted tours of Burny Brothers Bakery and the Borden Dairy, organized a small bazaar and the sale of K.P. booster buttons; in October they sponsored "Turn Back The Clock," a play of the roaring 20's; in November in connection with Education Week, they held a bake and apron sale; in May they presented a fashion show at Kelvyn Park Fieldhouse with K.P. students modeling. All these activities provided funds for drapes for our library, and for all we thank our P.T.A. mothers most heartily.

They did not neglect social considerations either. In January they gave an elaborate tea for the freshman mothers. They helped serve members of the Du Sable Glee Club after the well remembered Brotherhood Assembly; and with the co-operation of the Student Council they held a clothing drive for the youth of Montefiore.

All in all the P.T.A., had a very successful year.

KELVYN PARK OFFERS YOU THE KEY TO

CONGENIAL COMPANIONSHIP

"Without friends no one would choose to live even if he had all other goods." —Aristotle

In and around Kelvyn's halls we have enjoyed good fellowship, have shared our studies and our fun. Among many acquaintances, each of us has found some who are his equals, whose companionship he enjoys, in whom he can confide and whom he trusts. These few he cherishes as his friends. In the formative years of youth we can make friendships that will endure. As our own personalities are being formed we find those who are most congenial to us, and we grasp the meaning of true friendship, a mature understanding of another human soul.

KELVYN PARK OFFERS YOU THE KEY TO

SELF EXPRESSION

Self-expression is the outpouring of the soul. It is a form of self-education that enables each of us to find his own place in the world. Many go through life yearning for that goal, hungering for the secret that will aid them in demonstrating some hidden talent. Only those who try many fields actually find the coveted key. The following pages show opportunities at Kelvyn—in music, the fine arts, the arts of language, in science and the crafts—for the fulfillment of character through self-expression. Not only can we discover ability, but furbish it, so we may secure the satisfaction that comes with accomplishment, and sharing what is ours with others, enjoy a fuller life.

Legion of Honor and Student Council

Membership in the Legion is an honor based on scholarship, service, and promptness. Points are given for activities in clubs and services, and a total of 80 or more points admits a student into the organization. Mrs. Maccallini has taken over the sponsorship of this large group since Miss Heinen left.

The highlights of the Council's activities this past year were a clothing drive in conjunction with the P.T.A. for the youth of Montefiore, and the remedying of the ventilating system in the locker rooms. A plan was adopted which will result in: (1) school-wide election of Council officers, with candidates nominated by the Council; (2) rights of nominees for delegate positions to refuse nomination; (3) immediate action on all matters brought to the governing body.

PAN AMERICAN CLUB . . . As the strains of "Cielito Lindo" float out of Room 205, another meeting of the Pan American Club draws to a reluctant close. Members study the individual countries, learn their lively tunes, operate a newspaper and magazine exchange, and correspond with high school students from the Latin American republics. An annual affair of the club is a Christmas party.

Le Cercle Francais is actually two clubs in one. The advanced and first year French classes have their meetings separately on Fridays during their class periods. However, they work together as one club to sponsor projects. This year they sold carnations on St. Patrick's day to provide funds for a music scholarship. The French Club, under the sponsorship of Mrs. Edith Wright, helps to promote understanding and appreciation of French customs and culture.

The Latin Club, under the capable direction of Mrs. Dykes, has become one of the most successful clubs at K.P. It aims at a better understanding of Latin culture and its influence upon the modern world. This year the club was most honored in having such an interesting speaker as Mrs. Murphy describe her visit to Rome and show colored slides.

Every meeting of the German Club opens with the enthusiastic singing of *Gaudeamus Igetur*. On April 15th the parliamentary aspects were completed speedily in order that the entertainment numbers could be presented before the end of the meeting.

Marcia Ott played "Moonlight Sonata." Marilyn Kunda and Gail Thorson played a beautiful violin and piano duet. Marilyn Pacanowski rendered a chalk talk that caused the entire membership to roar with laughter. The 8:25 bell rang altogether too soon, and the German Club members bade each other and Mr. Bock, their sponsor, "Auf Wiedersehen" until the next meeting.

Kelvyn Players and Art Club

The Kelvyn Players has born fruit in creative as well as re-creative work this year. Former president, Pete Solmo, wrote this year's fire prevention skit, a one-act play—"The Ghost of Rockingham Castle," and a radio script—"Beyond the Moon," all of which were produced. Augie Brato also has written a very promising longer play. To continue the—ahem!—Shakespearean tradition, "The Ghost of a Show" is being produced. Congratulations to Mrs. Sachs, our sponsor, August Brato, president, Conrad Dratwa, vice president, Carol Yates, secretary, Pat Boyd, treasurer, and all members.

The Art Club, sponsored by Mrs. Ethel Adams, is a group of potential Rembrandts who work on an assembly-line basis producing art work for the entire school.

This year the Art Club has handled the publicity of the lei sale, orchid sale, and school plays; it has also designed modern copper enamel jewelry. The officers of this efficient club are: Pat Lepley, president, Henry Stack, vice-president, Gloria Rees, secretary, and Joyce Hoversten, treasurer.

STAGE CREW . . . "Adjust the sound . . . just a little bit louder . . . thaaaat's it. Fine!"

This is a not unfamiliar refrain with the boys of the Stage Crew—an organization which donates service to the school unselfishly in the way of caring for the P.A. system, stage lighting, and, in general, seeing that the mechanics of all productions run smoothly. The stage crew is under the guidance of Mr. Barr, who trains and assists the boys.

MOVIE OPERATORS AND TAPE RECORDERS . . . "Hustle up to 309. Mrs. Wright wants a movie for her French class this period. You can use the third floor projector."

In this manner films and tape recording machines are sent on their way to the classroom every period of the day, five days a week. Scheduling is carried out by visual education secretaries.

This semester the Projectionists' Club was initiated at Kelvyn by Mr. Barr.

The Kelvyn Park Girls' Chorus has just finished another successful year under the excellent direction of Mr. Leonard Polk. They have done outstanding work in school assemblies, the Spring Festival and the Annual City Competition.

The officers of the Chorus are: Carol George, president, Arlene Shafer, vice president, Darlene Amundsen, secretary, Dorothy Mielas, treasurer, Pat Boyd, historian, Carole Bohnert and Marlene Falcone, librarians. The club song this year is "You'll Never Walk Alone."

Mixed Chorus

The Mixed Chorus had one of their busiest and most successful seasons. The officers are: Gil Sorensen, president, Fred Kallsen, vice-president, Marilyn Godsen, secretary, Jerry Mroczkowski, treasurer, Lois Hansen, historian, and Jo Ann Stenhaug and Marjorie Siecker, librarians.

This year under the direction of Mr. Leonard Polk, who took over the leadership during the absence of Mrs. Florence Love, the Mixed Chorus gave a number of performances in and around the Kelvyn community, in addition to many performances at school assemblies. The culmination of all their efforts was the Annual Spring Festival. They learned a large selection of songs for the Festival: "Madame Jeanette," a variety of Negro spirituals, "The Toreador" from Carmen, "A Tribute to Romberg," and the "Hallelujah Chorus." The membership would like to thank Mr. Polk for the wonderful job he has done for the Mixed Chorus during the year.

&
Best Wishes!

There's music in the air every morning as the Orchestra practices compositions ranging from stirring marches to thrilling overtures. Besides enabling the students of Kelvyn Park to participate in an organized orchestra, it instills in them a love for good music by acquainting them with the great masters of music.

Under the able guidance of Miss L. Frances Fischer, the Orchestra has played for many assemblies. Their most brilliant endeavor was the Annual Spring Festival at which many inspiring selections were played. But it is not all hard work and practice. Many are the times when there is a hot jam session in 313.

To the three "r's" of learning there should be added another making it readin, ritin, rithmetic, and rhythm, for rhythm has become an important part of our school curriculum. The fine musical education that students in the Bands receive will lead many of them to future jobs in music. But, for the time being, it offers them a great deal of fun and personal satisfaction.

After the last echoes of "A" fade away, Miss L. Frances Fischer raises her baton and the music begins. Songs such as the "Merry Men Overture," and Sousa's rousing march, "Semper Fidelis," are some of the many types that can be heard in 313 every day during the eighth period. Adding much to the Band are the two new euphoniums recently added to the many instruments already owned by the school.

KELVYN PARK OFFERS YOU THE KEY TO

HEALTH

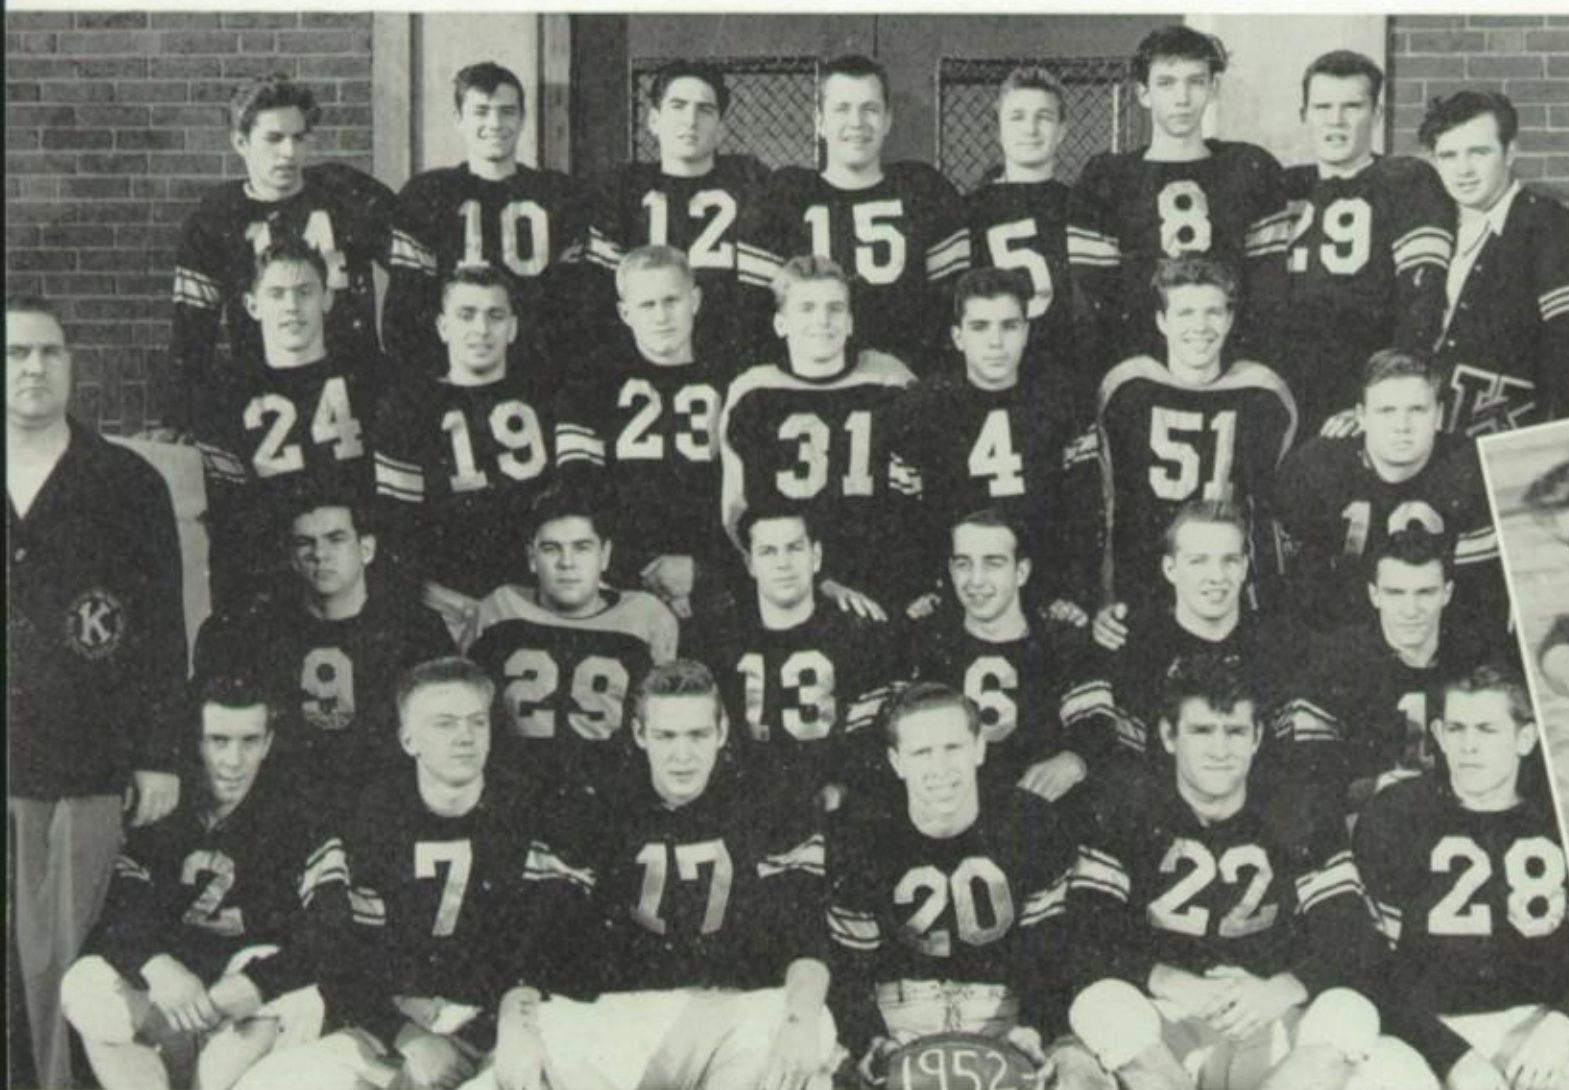

Happiness depends first of all upon health. The Physical Education Department, K Klub, and Girls' Athletic Association are representatives of K.P.'s health program. Our athletic teams foster the spirit of sportsmanship and co-operation. Their record in competition with other city teams is an honorable one. Through various intra-mural activities, instructional films, and hygiene programs Kelvyn stresses the fact that a sound mind stems from a sound body.

Every Kelvyn student acquires an understanding of the functioning of the human body, and the principles upon which its normal healthful functioning depend. These if put to use throughout his entire life will guide him to a salubrious happy existence.

FOOTBALL TEAM — Coach: Mr. DeWyze

Front Row: R. Caprio, R. Langfield, W. Bouwman, M. Nuss, Co-captain, D. Larsen, C. Petersen.

Second Row: D. Michal, J. Lovejoy, G. Schooley, C. Caudle, F. Thode, J. Caprio.

Third Row: H. Clepp, E. Gizynski, J. Moline, A. Halvorsen, J. Papas, J. Bell, A. Preble.

Fourth Row: A. Czeszewski, J. LeBlanc, E. Barnes, G. Brauneis, J. Pritchard, E. Zielke, D. Heeman, F. Fredriksen.

While the crowd roared, Kelvyn's fighting eleven went on to another victory. Defeat just doesn't seem to be in the vocabulary of Coach DeWyze. This is the second time in three years that he has sent the football team into the playoffs.

In the first two practice games with Foreman and Waller, Kelvyn trounced both by scores of 32-6 and 37-0, in that order. Art Czeszewski sparked the Panther's defense with terrific line-backing. This gained him an all-section berth along with Mel Nuss and Ted Sinclair. Nuss and Sinclair proved to be the season's biggest scoring threat. Caleb Petersen, hard running fullback, paced the Foreman game by scoring two touchdowns.

Football Review

Kelvyn won the first section game, a tough one, from Marshall, 14-2. Highlighting this game was Art (Berger) Czeszewski's 60 yard touchdown on an intercepted pass. To Taft, Kelvyn lost a heartbreaker, and its first loss of the season, by a score of 14-6.

The next game was an entirely different story. The Panthers came from behind two times while going on a scoring rampage. Warren Bouwman's fine quarterbacking and the inspiring defense of the linemen led by George Brauneis, stopped Amundsen cold. Nuss scored three touchdowns and two extra points. The final score was 26-19. In this game Donald Heemen, veteran lineman, dislocated his shoulder.

They then showed Roosevelt how after an 80 yard kickoff return by Nuss. This was all Kelvyn needed; again the score showed Kelvyn on top 18-6.

The Panthers, weak from the loss of Heemen and plagued with injuries, went on to lose to Steinmetz 32-6. Nuss scored the only touchdown which gave him the top spot for scoring in the White Section. Despite this loss, Kelvyn went hopefully into the playoffs against Harrison, but were bowled over to the tune of 48-0.

Despite injuries, Kelvyn showed that it was capable of winning the tough ones, and should do the same next year. Among the returning lettermen are George Brauneis, next year's captain, Herman Clepp, Don Michal, Earl Gizynski, Frank Thode, James Moline, Jack LeBlanc, and Erwin Zielke.

Basketball — Seniors and Frosh-Soph

SENIOR TEAM

Standing: Mr. P. Brownstein, Coach, G. Brauneis, E. Zielke, F. Kamminga, C. Petersen, W. Bouwman, G. Hartell, B. Parke, M. Caplan.
Kneeling: M. Castranova, J. Papas, B. Barron, W. Colbeck, B. Paris, B. Andersen, T. Dare, G. Larsen.

FROSH-SOPH TEAM

Standing: Mr. R. Frank, Coach, F. Reis, J. Borys, J. Koepke, D. O'Connell, G. Smith, M. Steinlauf, J. Barron.
Kneeling: S. Mann, P. Krueger, W. Prangle, R. Hunt.

As Kelvyn's basketball season comes to a halt, we look back at the records of the teams and individual players.

The season record for the Varsity was 3 wins and 7 losses. The Frosh-Soph Team duplicated this feat. It was a bad season for both of the Kelvyn quintets, mainly because of the lack of height and that old hindrance to a high school team—reserves.

Kelvyn did, however, defeat Manley, Tuley, and Crane. They lost to Wells, Austin, Foreman, Steinmetz, McKinley, and Marshall. Warren Bouwman was the team's high scorer with 170 points. Bill Colbeck, the team captain, was always in the thick of the fight and near the end of the season began playing the kind of ball that inspired the rest of the team. Little Barron was the sparkplug of the team. He scored 31 points in the Manley game and was also chosen on the section team in city. Barron and Colbeck, by the way, were second and third in team scoring; "Poopsie" had 136, while "Willie" had 123. Paris, Hartell, Petersen, Zielke, and Parke played good clean ball all season.

Mann, O'Connell, and Krueger were high scorers on the Frosh Team with 76, 63, and 42 points in that order.

Tennis Team

W. Kercher, G. Brauneis, W. Buchholz, C. Petersen, M. Steinlauf, B. Southern, G. Ford, J. Conn.

Kelvyn's Tennis Team got off to a running start by trouncing Schurz and Lane. After these impressive wins the team is looking forward to one of its most successful seasons.

Skating Team

L. Radtke, F. Stotz, R. Peterson, G. Brauneis, R. Arseneau.

Flashing skates and a second place tie with Senn ended a very successful season for Kelvyn's Skating Team. Kelvyn will still be well represented next year despite the graduation of Fred Stotz. Next year's team will consist of George Brauneis, Robert Peterson, Roger Arseneau, and Leroy Radtke.

Baseball Team

Front Row: R. Benson, J. Papas, H. Baird, Capt., A. Czeszewski, J. McConnell, M. Erkiletian.

Second Row: R. Fautsch, L. Radtke, D. Ledna, G. Sorensen, N. Sorenson, G. Hartell.

Third Row: L. LaMontagne, R. Melville, C. Clary, D. Thorson, B. Lenski, R. Males, Mr. R. Frank, Coach.

This year's Baseball Team was under the capable direction of Mr. Robert Frank, replacing Mr. Weintraub who was not able to return as coach. Five lettermen returned: Henry Baird, Myron Erkiletian, Larry LaMontagne, James McConnell, and James Papas. The captain of the team was Henry Baird, a veteran of two years. He shared the pitching laurels with Larry LaMontagne. James Papas is currently leading the team with a batting average of .380. Other boys proven capable were: Charles Clary, George Hartell, Don Ledna, Norman Sorenson, Ronnie Males, Robert Melville, David Thorson, Robert Lenski, Anthony Miceli, Gil Sorensen, Donald Christey, and Leroy Radtke.

The "K" Klub is the highest school organization in athletics, and is the goal of every sports-minded boy. Under the sponsorship of Phil Brownstein, the "K" Klub played host to the fabulous "Harlem Globetrotters" at Lane High School gym. This was certainly a treat for the students of Kelvyn Park.

Any girl is eligible for membership in the Girls' Athletic Association. Each girl records the points she gains for various athletic activities in a handbook. After reaching a total of 1,000 points within a period of not less than two years, she may join the Girls' "K" Klub.

Girls' Gym Department

The social and physical improvement of K.P.'s female population is the task of the girls' gym department. Under the leadership of Miss L. Ekstrom, Mrs. H. Hitch, and Miss M. Stone, it strives to endow the girls with a sense of sportsmanship.

Each girl is required to take swimming one day a week. Once a girl has passed the beginners' test, she can then attempt the advanced swimmers' test and, if successful, win her letter. On April 11, several K.P. girls represented the school in a volley-ball fun fest at the University of Illinois.

The Bowling Club, little more than $1\frac{1}{2}$ years old, has really scored a strike with Kelvynites. This club is expanding every day, as interest in bowling itself has grown. Although few members ever hope for a 300, many, through practice, boast averages that would knock any pin-setter from his perch. After the last frame, players agree they've had fun and relaxation.

From zero to pin-wheel, excitement runs high on both Rifle Teams. Boys use four positions,—prone, sitting, kneeling and standing; whereas girls use only prone and sitting. This year the Boys' Team held first place for three weeks, but lost this honor to Schurz by one match. The Girls' Team also under the direction of Sgt. Friel, so far had 8 wins and no losses.

Kelvyn's R.O.T.C., officially the Reserve Officers' Training Corps, has not only grown in its seven years, but gained honor and prestige among the other city units as well. In its first year it received an award for outstanding achievement. Since then the unit has acquired an honor school rating twice through fine showings at the annual Federal Inspection. Consequently, a shift in unit organization was necessary, from company to battalion strength, evidence of Sgt. Friel's capability in administration. Companies "A" and "B" above form the battalion.

Second Row: R. Smith, 2/Lt., D. Snyder, 1/Lt., E. Misch Capt., B. Egeland, Capt., J. Lovejoy, 2/Lt., B. Bier, 2/Lt.

Among specialized groups in the R.O.T.C., in addition to the Rifle Team, are the Officers Corps and the Color Guard. Requirements for promotion to the rank of officer include scholarship, leadership, citizenship, neatness, service, and high personality traits. All officer candidates must be third year cadets. Color guards, who present the colors during assemblies and carry them in parades, are chosen with respect to neatness, precision and general appearance.

Junior Achievement

In 1905, Junior Achievement Of Chicago, Inc., was established by the President of the Palmolive Peet Company. Through J.A. teen-agers may obtain actual experience in the business world and the key to future success.

Each enterprise is organized as a stock company, and the teen-agers are responsible for the manufacture and selling of their products which range from plastic goods to pizza.

The North Side Center at 4804 North Kedzie is directed by Mr. Milton Beckwith. The director of the West Side Center at 3949 West North Avenue is Mr. Charles Kessler. All of these pictures were taken at the new and modern West Side Center.

Some of the very active members of Junior Achievement from Kelvyn Park are: J. Bredesen, W. Carpenter, K. Christensen, C. Dratwa, L. Gade, J. Joyner, R. Kowalski, G. Malmstrom, A. Mischke, C. Petersen, E. Philippi, J. Philippi, B. Puleo, C. Rakowski, L. Spiegl, C. Swensen, D. Underwood, B. Walker, J. Walker, C. Wartell.

1952-53 *Assemblies*

Many of the students were found trying to buy a portable ghost while the stage was being cleared after the Halloween thriller, "Ghost in the House."

March winds had a warm southern tinge when Florida's Stetson University Glee Club poured sweet melodies for our enjoyment.

Even the April rains fell to a "sound-off" beat as Kelvyn was treated to the Fifth Army Band's inspiring marches. Here they are on parade!

Everyone stepped back in time to November, 1621, with K.P.'s Pilgrims and Indians celebrating the first Thanksgiving.

During the Pan American Day program you could hear the senioritas laughing as they picked Brazil's coffee during its summery April.
